## DO MORE. WORRY LESS.

Advancements in travel technology allow vacationers to navigate and explore with ease, save time and feel connected. Today's enhanced websites, sophisticated apps and digital wearables – like wristbands and pendants – offer much more than navigation. They help you expedite check-in and checkout, keep track of your itinerary, reserve in-demand entertainment and activities, make dining reservations, communicate with friends and family and connect with other travelers.

Before you go anywhere, connect first with an expert AAA Travel Advisor to save time, money and stress. Besides being up on all the latest innovations in travel, they truly understand your desires, interests and budget requirements and draw upon their own expertise, Member feedback and AAA resources – so you can experience a more memorable trip. Plus, they can add real value to your vacation experience with exclusive offers, special discounts and one-of-a-kind perks and advice.
